

STATEMENT OF PURPOSE**RS23464**

The purpose of this legislation is to allow the prescription and possession of opioid antagonists, which are used to reverse an opioid drug overdose.

FISCAL NOTE

The only known impact to the State would be to the Idaho Department of Health and Welfare, where opioid antagonists are covered by Medicaid. If the medication use were to double, the cost to the Medicaid program is estimated to be \$1,275.00 a year.
